The Problem

- No easy way to offer or receive services
- People are stuck using Facebook groups or the marketplace
- Too cluttered and inefficient with no easy way to search

What is UService?

- Website where you can make requests and offers depending on your needs
- For UMass students and faculty
- Can sell textbooks, plan activities, get sports team members, carpool, and tutor other students

Why is UService different?

- Limited to UMass student and faculty
- Tailored listing types for college environment
- Custom form fields for all listing types
- Easy to search and categorize
